Residence News

Sign In/Sign Out Residents that are leaving the residence for an outing or visiting the community center need to sign out of the personal care residence. The sign in/out log is at the resident care desk near the nurse's office.

Health Reminder Its cough, cold and flu season so please remember to cover your cough with your elbow, use tissues once, and tell your nurse when not feeling well. Communication is key to limiting any spread of viruses.

Holidays Our nursing team asks the residents and families to give notice if they leave for a family outing on holidays such as Thanksgiving and Christmas. This helps our staff to have all the necessary medications ready for the day. Please see or call our nursing staff 717-646-2438 with dates and times of departure.

Decorations As the holiday season soon begins and residents start decorating their doors and rooms, please follow the following concerns.

- No extension cords allowed. Outlet strips are acceptable for safety standards.
- No real pine may be used as real pine dries out and may be a fire hazard.
- No decorations should be hung over the hallway handrails. The handrails are used for resident mobility.

Family Pets Family members must supply rabies vaccination records to staff before the visit to the community. All pets need to remain on a leash and under the control of the owner. We ask that no pets be in the dining room when food is being served. Thank you for helping us support our safety and meet state regulations.

Dishes Residents that borrow dishes from the kitchen, please return dishes to the main kitchen promptly.
