.The kids are back in school learning and growing. Who says that we can't still do that?! September brings the return of Lifelong Learning and Music 101 to our calendars. Every Friday you can come to the Wellness Lounge at 2:00pm and give your brains a boost. We are so fortunate to have community and campus members who are leaders in education to bring and share their knowledge with us.

Music in the community is back for the 2026-2027 season. You will start to see concerts hosted my Music, Gettysburg and the Gettysburg Community Concert Association appear on the calendar from now through next spring. Remember that order forms for season tickets to the GCCA concerts are available in Jess' office. The season ticket gives you admission to the 4 local concerts and we provide transportation.

We have equal opportunity dining this month with a ladies' lunch and a men's breakfast plus a lunch at a "new to us" restaurant, The Green Horizon Grill in New Oxford and a trip to Cameo for some good old fashioned side of the road ice cream or diner treats.

In addition to dining out and getting more music in your lives you will have a chance to create your own beautiful flower arrangement with locally grown flowers or attend an informative program on the stained glass windows at Trinity United Church of Christ in Gettysburg.

I have loved the growth of some of our fitness classes this past month and welcome you to join us. We are building muscle and brain power 45 minutes at a time.

Happy September. Drive carefully. The busses are out!
