From Around the Village

Garbage, Recycling and Glass Recycling

Regular Recycling Day is on Monday and Trash is on Wednesday. Recyclables (non-glass) should be tied tightly in a container and should not be put out until the morning of pick-up. Glass jars and bottles only are recycled in the four small blue bins inside the maintenance shed. Remove all lids. Please do not place any items on the floor in the shed. All other glass besides that listed is to be put in your regular trash.

Wellness Talk

There will be no wellness talk on Monday, November 9. Janell will resume the talks in December. This is a great casual gathering to learn about a variety of health and medical topics.
