Team up with fellow environmentally interested residents on Earth Day! We will be hosting a discussion led by some of our resident volunteer recycling "committee" members. They will be presenting information on recycling alternate plastics. You know that toothpaste tube? It can be recycled!

If you are so inclined, join us after the talk for some campus clean-up. We usually pick up branches, clean storm drains, and maybe do a little weeding so we can enjoy our outside space when the weather warms up.

April 2025

Happy April!

Anyone else looking forward to seeing the happy faces of daffodils opening up soon? Easter is so late this year, the chances of celebrating with nature's own color are extremely high. You might just be comfortable wearing sandals with your Easter dress (remember those days ?!)

If you want a glimpse of what the night sky in April is going to look like you should sign up to go to the Planetarium at Gettysburg College on April 3. What a wonderful resource to have right down the road.

If you need a spring cleaning of your hearing aids, Beltone will be here for a presentation and screenings this month. Pastor Amy will be preparing us for Easter with Maundy Thursday and Good Friday services. Winding up the month is the annual spring concert presented by the highly talented Gettysburg Children's Choir. We have a trip scheduled to see them at the Seminary but if you miss that, the group will be performing most of their concert here in our Fellowship Room the next day.

We have reservations for a trip to the Rolls Royce Museum at the end of the month. This is a new trip for us but should be really fun and informative. Who knew we had such a "worlds largest" in central PA?

See some information on Earth Day on the back of this calendar and challenge yourself to be more aware of what goes into the trash that maybe could be recycled.

Finally, we have a trip to the Governor's Mansion and lunch planned on May 20. We must present a list of those attending by April 21 so a sign-up list will be in the April book in the front. Please only sign up if you are sure that you are available on May 20.
