Garbage, Recycling and Glass Recycling

Regular Recycling day is on Monday and Trash is on Wednesday. Recyclables should be tied tightly in a container and should not be put out until the morning of pick-up. Please remember to separate types of recyclables (plastic, tin, aluminum, newspaper, cardboard— they will now take all kinds of cardboard). Glass recycling continues on the first Saturday of each month. If you are able, take your bottles and jars (minus the lids) to the blue bins in the recycling room behind the dumpster. The bottles and jars do not need to be bagged. During the month of April only, the Rescue Mission will be accepting glass for recycling.

Recycling Update

The blue glass recycling bins have been moved inside. They will now be located in the recycling room behind the dumpsters. Also you must separate your recycling or it will be thrown away in the regular trash.

Wellness Parking Lot Opens

We are happy to announce that the Wellness Parking Lot will be opened Monday, April 15. Any questions regarding door access with your white keycards should be directed to Nikki Richwine. These cards should work as they did before the lot closure.

Earth Day Clean-Up

Please wear comfortable shoes, clothing that can get dirty and a smile if you are coming out to do a sprucing up of our campus. Meet in the front lobby at 2:00 for the gameplan.

Thank You

A big thank you to all who remembered my birthday. You helped make it a truly special day. ~ Jane Eiker
