We have finalized agreements with Journey Hospice, part of Lutheran Social Ministries of NJ, operating under a PA license, to open a satellite office at The Village of Gettysburg. The office is located in the main building, past the administrative hallway, down the hallway to the right. We have also, finalized an agreement with Journey Hospice to continue hospice services as one of our preferred providers. We will have more information as the team members of Journey Hospice settle into their new space.

Amy Meals, Residential Nurse Navigator, has decided to pursue other opportunities and has left her position at The Village at Gettysburg. We are recruiting for this position, however, until the position is filled all health care concerns and notifications should be addressed with Jill Flasher, Executive Director.
