From Around the Village

Garbage, Recycling and Glass Recycling

Regular Recycling Day is on Monday and Trash is on Wednesday. Recyclables (non glass) should be tied tightly in a container and should not be put out until the morning of pick-up. Glass jars and bottles only are recycled in the four small blue bins inside the maintenance shed. Remove all lids. Please do not place any items on the floor in the shed. All other glass beside that listed is to be put in your regular trash.

Asphalt Paving Project Update From Bill Mooney

The paving contractor will begin on Monday. They will be doing pavement repair and crack sealing on the main roads. The crack sealer dries in 10 minutes and is safe for pets to walk on. The Shealer Road entrance will be closed on Monday for extensive repairs, except for emergency vehicles. On Tuesday, they will begin sealcoating the pavement. They expect to sealcoat by cottages 126-192 on Tuesday, by cottages 2-124 on Wednesday, and the main parking lots on Thursday. Residents should not park on the pavement near their cottages during this process. Staff will be directed to park away from sealcoating. The sealcoating dries in about an hour and may be driven on immediately thereafter. The inconvenience to residents and staff should be only a few hours. There will be no special restrictions when the roads are done. A line painting company will arrive at a later date.

Meal Deal Cards

Meal deal cards are available for \$55 and \$110 at the front desk only. Payment will be charged to your account. You must be present to purchase. Please no cash. No daily transactions can be made to your account in Cannons Corner.

Life Enrichment Updates

If you haven't signed up for Games Week activities, it's not too late. The sign-up sheets for each day are in a packet in the August notebook at the receptionist.
