OCTOBER 2026

Hello Residents, Families & Friends!

October is a beautiful month filled with crisp autumn air, colorful leaves, and cozy moments. As the seasons change, we’re reminded to slow down, enjoy the little things, and appreciate the beauty all around us.

As your new Activities Director, I’m excited to continue getting to know each of you and learning more about the activities, hobbies, and programs you enjoy. I would love to hear your ideas! Whether there’s an activity you miss, something you’ve always wanted to try, or a program you think others would enjoy, please stop by and share your suggestions with me. This is your activity calendar, and I want it to include things that you look forward to!

We have plenty of opportunities this month to celebrate, connect, try something new, and enjoy time together. I hope you’ll join us for some of our October activities and maybe discover a new favorite along the way.

May this October bring you beautiful moments, laughter, good company, and plenty of reasons to smile. I look forward to enjoying the season with all of you!

Warm regards,
Sharon Huerta – Activities Director
