NOVEMBER 2026

November is a wonderful time to reflect on the many things we must be thankful for. As autumn leaves begin to fall and the cooler days settle in, we're reminded of the importance of kindness, friendship, and the special moments we share with one another.

This month, we have plenty of exciting activities to look forward to, including some new additions to our calendar! From relaxing wellness programs and uplifting music to Saturday movie matinees and opportunities to gather with friends, there's something for everyone to enjoy.

As I continue getting to know everyone, I want to thank you for the warm welcome and wonderful suggestions you've shared with me so far. Your ideas and participation help make our activities special, and I always look forward to hearing what you'd like to see on our calendar. Together, we can continue creating fun experiences and lasting memories!

With Thanksgiving approaching, I hope we can all take a moment to appreciate the friendships, laughter, and little joys that make each day meaningful.

Wishing you a November filled with gratitude, happiness, good health, and wonderful moments shared with friends and family.

Happy Thanksgiving!

"When we give cheerfully and accept gratefully, everyone is blessed." — Maya Angelou
