As an added bonus, you will also be able to make a bracelet to enjoy yourself, or give as a gift for a loved one. No experience needed !

Life Long Learning -

“The Haines Shoe House”

Friday, August 29 at 2:00 pm

Fellowship Room

The Haines Shoe House in Hellam Township, PA, is a great example of building design created to catch people's attention. In the 20th century, many buildings were built to promote products and stand out to drivers passing by on the highway. Learn about the history of one of York's most well-known roadside sights.
