December 2024

Dear Residents at The Village at Kelly Drive,

My name is April Coyle, and I am excited to introduce myself as your new Life Enrichment Director, stepping into the role previously held by Lauren Ericksen. I know Lauren left a lasting impact, and I have some big shoes to fill. That being said I am looking forward to building on the foundation she has created.

I ask for your patience and understanding as I get to know your community. While things may look a bit different, my goal is to ensure our programs continue to bring joy and connection. I look forward to getting to know each of you and discovering how we can make every day more meaningful.

So far, everyone has been very inviting and gracious as I am figuring out all the ins and outs of the job. Please don't hesitate to reach out with any questions or concerns you might have as I settle into this new role.

Warm regards,

April Coyle
