"Speak up for those who cannot speak for themselves, for the rights of all who are destitute." — Proverbs 31:8

The ratification of the Nineteenth Amendment in 1920 marked a significant moment in history by granting women the constitutional right to vote. It serves as a reminder that every voice has value and that God created each person with purpose, dignity, and the ability to make a difference.

Throughout the Bible, God used the voices of ordinary people to accomplish extraordinary things. Whether through words of encouragement, acts of kindness, or standing up for what is right, each person has the opportunity to reflect God's love in the lives of others.

No matter our age or season of life, our voices still matter. A kind word can lift someone's spirit. A prayer can bring peace. A smile can offer hope. We may not all stand behind a podium or cast a vote today, but we can all use the influence God has given us to bless those around us.

As we remember this important milestone in history, may we also remember to use our voices with wisdom, compassion, and love, honoring God in all that we say and do.

Let's take a moment to remember the bombing of Pearl Harbor, a day that changed history and touched the lives of so many. While we know this is not a happy subject, remembering these events helps us honor those who served, those who sacrificed, and the resilience of a generation that lived through such challenging times. By reflecting on the past, we can appreciate the freedoms we enjoy today and ensure that the lessons of history are never forgotten.

Heavenly Father,

Today we remember both the blessings and the hardships found throughout history. We thank You for the courage of those who worked to secure the right for every voice to be heard, and we honor the men and women whose lives were forever changed by the tragedy of Pearl Harbor. Help us to remember the sacrifices of the past with grateful hearts, to cherish the freedoms we have today, and to use our own voices to bring kindness, peace, and hope to those around us. Guide us to be people who learn from history and who reflect Your love in all we do. In Your holy name we pray.

Amen.
