Reminder to residents and families that when a family pet visits our community we need some information from the pet owner. A copy of current

pet vaccination records needs to be supplied to our life enrichment department. Help us to be in compliance with state regulations. Also, pets must be on a leash at all times and not in the dining/activity room when food is being served. Please direct any questions or concerns to life enrichment leader, Kris Martin.

Library Books The personal care library has many books for personal reading pleasure and coffee style books that bring many different subjects to life through photos. Residents will also find some magazines in the library for enjoyment.

Extension Cords Extension cords are not permissible in the personal care residence and individual resident rooms. Alternate resource would be a grounded surge protector. Please ask management if you have any questions or concerns. Thank you for cooperating with this safety issue.
