## Voiced Controlled Devices

SpiriTrust Lutheran is committed to adopting technology that can enhance the lives of residents while also protecting the privacy, dignity and security of the residents. Therefore, it is the policy of STL to allow families and residents to install and operate their personally owned Voice Controlled Devices (VCDs) in resident rooms on the terms and subject to the conditions of this policy. A notice regarding the presence of a VCD will be posted discreetly on the entrance/door of the resident room and in the resident health record. Please see Alyssa Graft, personal care administrator if you have any questions or concerns about this policy.
