Sign In/Sign Out Residents that are leaving the residence either for an outing with family or visiting the community center need to sign out from the personal care residence. The sign out logs are located at the resident care desk. Please remember to sign back in upon your return to the personal care residence.

Personal Snacks & Containers

Residents are asked to store personal snacks in an airtight plastic container or tin. Snacks should **not** be stored on the floor. Your assistance with these measures will assist with pest and rodent control.

Family Gatherings Are you looking to plan a special family celebration. Concordia at SpiriTrust Utz Terrace can help with catering and rooms? To discuss catering services and room availability please contact Dan Litchfield, Dining Services Manager at 717.646.2436

Fund Management Accounts

Residents and families are able to setup a financial fund account that residents are able to access. The account would be used for resident personal finances. This is a good way to access cash when a resident needs funds for shopping, trips, activity programs etc.... If interested please contact our accounting coordinator, Holly Sterrett for more details at 717-646-2407 or Ext. 60006.

Family Pets Reminder to residents and families that when a family pet visits our community we need some information from the pet owner. A copy of current

pet vaccination records needs to be supplied to our life enrichment department. Help us to be in compliance with state regulations. Also, pets must be on a leash at all times and not in the dining/activity room when food is being served. Please direct any questions or concerns to life enrichment leader, Kris Martin.
