Candy Sale to Benefit the Alzheimer's Association

Did you know that we have an ongoing fundraiser to benefit the Alzheimer's Association? It's a candy and snack fundraiser! Residents, visitors, and staff are welcome to purchase candy and snacks at the front entrance reception desk. A donation of at least \$1.50 is needed to cover expenses.

Personal Mail Sending out mail? Mail may be placed in the outgoing mail basket located at the resident care desk. Postage stamps may be purchased at the country store or from the receptionist.

Extension Cords Extension cords are not permissible in the personal care residence and individual resident rooms. Alternate resource would be a grounded surge protector. Please ask management if you have any questions or concerns. Thank you for cooperating with this safety measure.

Fire Drills The fire drills that are conducted by the team members of the village are mandated by the federal and state guidelines that all senior living homes must follow. **The fire drills are conducted monthly at different times of the day and night.** The staff must ensure that all residents could be evacuated during a real emergency. No one ever plans for an emergency to take place in their lives however, the team members need to be prepared to take care of each resident's life. All residents are required to participate and cooperate with team members when directed. When you hear the fire alarm sound ... start moving! The team members thank everyone for their cooperation through the fire drills.
