## Picnic @ Codorus State Park

**Sign up Required** Do you enjoy a picnic? Its time for a picnic and we would love to take you! The picnic lunch will be held at Codorus State Park on Friday, June 6. We will start loading the bus approximately 10:45 am and head to Codorus for a relaxing “bagged” lunch. Please make your reservations with Kris Martin, life enrichment leader by calling 717-646-2431 or ext. 60030, or stop by her office.

**Fresh Air Walks** Residents are welcome to enjoy the outdoors on porches or maybe go for a walk in the courtyard. For safety we do recommend that you stay on the paved walkways of the courtyard. Enjoy the day!

**Fire Drills** The fire drills that are conducted by the team members of the village are mandated by the federal and state guidelines that all senior living homes must follow. **The fire drills are conducted monthly at different times of the day and night.** The staff must ensure that all residents could be evacuated during a real emergency. No one ever plans for an emergency to take place in their lives however, the team members need to be prepared to take care of each resident’s life. All residents are required to participate and cooperate with team members when directed. When you hear the fire alarm sound ... start moving! The team members thank everyone for their cooperation through the fire drills.

**In/Out Magnets** The in/out magnets located on the resident door frame is for emergency use only. During emergencies such as fire, each room would need to be cleared by staff and this magnet is our way to communicate that persons in that room are safe. Please do not use magnet for personal use.

## Board Games & More!

Residents and visiting family members are welcome to use the board games, jigsaw puzzles and card games from the shelves in the library lounge. Please assist by returning all materials to the shelves after use. Enjoy!
