Weekly Word Puzzles

Residents are welcome to obtain a weekly themed puzzle booklet, created each week for your

independent leisure. Booklets can be found at the resident care desk.

This week ... September Word Puzzles!

Bird Feeders Birds are a wonderful and a joyous sight. We ask residents that have bird feeders to store their birdseed in an airtight plastic or glass container. The container then needs to be stored in the outdoor maintenance shed located in the courtyard. Please see a team member if you have questions or need help.

Kindred Spirit Mailbox The Utz Terrace Kindred Spirit is a mailbox which sits on the courtyard porch accessed through the living room. We hope to gather stories from residents about their shared stories, hopes, dreams, perseverance, inspiration and love. Check out the mailbox and the shared stories and leave your story for others to read. Please see Kris Martin, life enrichment leader if you need assistance with writing your story and shared inspirations.

Board Games & More!

Residents and visiting family members are welcome to use the board games, jigsaw puzzles and card games from the shelves in the library lounge. Please assist by returning all materials to the shelves after use. Enjoy!

Jigsaw Puzzle Table The residence has a jigsaw puzzle that everyone is welcomed to work on together. The puzzle table is located in the main hallway. Some people like to put one puzzle piece in the puzzle a day. Work together to complete!

Library Books! Residents have the opportunity to read books from three different library sources residents can within our community. obtain books from the personal care library, the community center library and the Guthrie Library books located in the community center library. We ask that residents and or family members return the books back to the proper area. Please see Kris Martin, life enrichment leader if you need assistance with any of the library books. Happy reading!
