Health Reminder Its cough, cold and flu season so please remember to cover your cough with your elbow, use tissues once, and tell your nurse when not feeling well. Communication is key to limiting any spread of viruses.

Family Pets We are happy that you have family pets visiting you; however, we need to follow state and federal guidelines. The staff needs a copy of the pet records to prove the visiting pet has current rabies vaccinations. Kris Martin, activities coordinator is happy to accept the vaccination records. We also ask that pets always remain on a leash and under the control of the owner. Thanks for complying with the state regulations that we need to follow.

Holidays Our nursing team asks the residents and families to give notice if they leave for a family outing on holidays such as Thanksgiving and Christmas. This helps our staff to have all the necessary medications ready for the day. Please see or call our nursing staff 717-646-2438 with dates and times of departure.
