Additional Programming Information for November:

All Saints Service: Come together in fellowship as we remember the Saints who have gone before us and commemorate the passing of those of our Utz Terrace community over the last year with Chaplain Melissa.

Game Night: "All work and no play make Jack a dull boy." "Laughter is the best medicine." We've all heard these old proverbs countless times and have probably said them ourselves. But what is a proverb if not a statement of wisdom or sage advice? The need for play in children is well-documented, but these adages remind us that the need for play in adults. including seniors, is just as important. I will have multiple games set up in the Great Room and the Lobby area.

Alzheimer's Walk Reward: We beat Gettysburg in the Battle of the Buildings, so with that being said, we are getting Ice Cream novelties for all from the Alzheimer's Association. If you are interested in having an ice cream snack mid-day, be on the lookout for the "Ice Cream Cart. We will begin with the apartments at 1:00 p.m., starting on the third floor and making our way down to the first floor. We will head out to the cottages by 2:00 pm, walking down Utz Terrace, to Ruth Ct, head to Muhlenberg, followed by Bear swerving into Gitt Ct, and finish on Bear Crossing.

Veterans Day Luncheon: The Village at Utz Terrace takes this opportunity to thank our Veterans for their service to our country by inviting you to a complimentary lunch. All are welcome to show their thanks by coming and paying the \$11.00. World Kindness Day: I know many of you call your neighbors regularly. I want to challenge you to call or send a note to

someone you have not met or don't know well in our community. Spread Kindness! **Holiday Shopping:** Join us for a day of shopping at the Galleria Mall in York. Maybe you start your Christmas Shopping, or shop for yourself. You will be on your own to shop and eat if you choose. Shop stores like Boscov's, Bath & Body Works, Maurices, H&M Shoe Dept., and many more.

Happy Hour with Feelin' Cocky Food Truck: We are excited to try a special Happy Hour. Take the night off from cooking. We will have Feelin' Cockey at the Community Center entrance. All are welcome to order, take it back to your cottage or apartment, or enjoy the happy hour here with your friends and neighbors. We will have tables in the great room or the hobby room for you to relax and eat your meal while enjoying the regular happy hour drinks.

Diner's Caravan: Basta Pasta: Offering only the freshest and most flavorful ingredients, from their signature pastas to a selection of various seafood dishes that incorporate Maryland's best catches, including their renowned crab cakes! "THE INCREDIBLE STORY OF S. MORGAN SMITH": How did a gifted man of the cloth leave the ministry to manufacture washing machines? How did an ex-preacher, so poor at one time he could not afford to fix the roof on his house, become a wealthy man and the leading industrialist in the history of York? This program answers these questions and provides a

window into the life of the founder of the S. Morgan Smith Company (now Voith Hydro). Stephan Nicholas, a retired pastor and resident at Kelly Village, will be presenting."

Thanksgiving's here, what to say, We'll be eating most of the day. And when day is over, what we find is lots of turkey left behind. When I was a kid, years ago, you couldn't eat that turkey slow. Gone very quickly – no hesitation, due to the lack of refrigeration. Today, an entirely different story eat that turkey- it's in its glory. Have to put leftovers away. to have again another day. But leftover turkey soon gets old. strange dishes, served hot or cold. Only one way to stop degradation, Pull the plug on the refrigeration. Cold Turkey

Dads always have the Answer

This is a story about a grade schoolboy who told his father that when he grows up, he would like to be an astronaut and explore space. He recounted what happened in science class, and he could not understand. He and his father were very close, so the boy felt free to ask his father a question. What follows is the boy's question and his father's answer.

The boy asked, Dad, can you explain to me what happens during a solar eclipse?

Dad answered the boy the only way he knew how. He simply said, "NO SUN!"
