South Western H. S. Fall Play

This year, the talented students from South Western H.S. will present *Curtains*, on Wednesday, November 19th, by Craig Sodaro. ***This is a 7:00 pm show.*** Here is what to expect: Sneaky Charlie Leach and his new bride, Cheri, have a week to pay off mobster Tony Tenor and his flowery accomplices, or the final curtain will fall on poor Charlie. So, the newlyweds use honeymoon money as a down payment on an old theatre that Charlie secretly plans to blow up for the insurance settlement. There's just one caveat:

they can only get a policy by staging a production. The show must go on! Fortunately for Charlie, Cheri's cousin Isabella is looking for a stage. Unfortunately, it's for an artsy adaptation of *Frankenstein* with an almost all-female cast. And when the actor playing Frankenstein's monster suffers a sudden stage accident, clueless Charlie is brought on as the understudy! Sign up in the program binder by **Friday, November 7th.** (Please note if you signed up for Noah at Sight & Sound this is the same day.)
